

Dear Parents and Guardians,

September 2020

With virtual learning, we are asking for the most minimal supplies to start the year. Once we get back, we may ask for a few additional items but for now please equip your child with:

- 2 marble notebooks (one for writing journal and one for math)
- 1 two pocket folder
- 1 four pack of dry erase markers
- Pencils with erasers

The art teacher asked for the following:

- 1 sketchbook
- crayons
- markers
- colored pencils

We look forward to seeing you at the Meet and Greet on September 3rd and having a wonderful year.

Kindest regards,
The Second Grade Teachers
