

**MPCS COVID-19 Guidelines**  
**School year 2022-2023**

<b>Students</b>	<p>Students who test positive will be isolated at home for 5 days.</p> <p>Students can take a COVID test on or after day 6. If the test is <b>negative</b>, they may return to school. Schools will not require proof of test results.</p> <p>Quarantined students would be eligible for up to 5 hours of contracted tutoring during their time out of school. Please contact your building administrator to find out more.</p>
<b>Staff</b>	<p>Staff who test positive will be isolated at home for 5 days.</p> <p>Staff may return to work on day 6 <b>IF</b> they are fever free for 24 hours without any fever reducing medication and symptoms have lessened. Staff will be <b>required</b> to mask for days 6-10.</p> <p>Staff <b>must</b> provide proof of the positive COVID results to HR in order to use COVID sick leave (maximum of 5 days for staff positive only, not family member).</p>
<b>Close contacts</b> (both students and staff)	<p>MPCS will not be conducting contact tracing or case investigations. MPCS will monitor positive cases that may require intervention by the Prince William Health Board.</p> <p>Communication will be sent by building principals to alert parents of positive cases.</p>
