

STUDENT BOARD REPRESENTATIVE

In order to provide for the active involvement of students in their education and foster a spirit of inquiry whereby students may freely express their views and listen to and evaluate the options of others, the board shall appoint student representatives to the board in an advisory capacity:

1. There shall be two (2) high school representatives to the board.
2. The student representative shall be an advisory member of the board but will be present at board meetings to bring student matters to the attention of the board.
3. The board shall select an alternate who would serve in the event that the representative is unable to complete the term.
