

THUNDERBIRD NATION

A note from the Principal: September continues to be super busy here in Thunderbird Nation. This past week we took 42 Juniors and Seniors to St. Mary of the Woods for a college visit. What a great experience. Thursday, IVY Tech came to visit us with a Precision AG Event which included flying drones and driving a tractor. This coming week our 8th grades will be learning about their upcoming trip down the Wabash River and some of our Senior BETAS will be headed to Bowling Green Kentucky for a Leadership Summit. The last week of September promises to be even more exciting - it's Homecoming Week. Stay tuned for more information on our Social Media Pages (FB and Twitter) on that as it is posted. If you do not have the following events on your calendar please make sure to add them. Thunderbird Nation ROCKS!! Have great week!

BECAUSE “WE CARE” CLOSET!!!

North Central Jr/Sr High School would like to introduce to our students/parents/guardians our “We Care” Closet.

This idea originated at a teacher’s meeting in a discussion about our students needs and developed into what we believe will be an amazing way for us to help our “kids”.

Because we care, we have created a “closet” that includes any item that they might need. Whether it be clothes, shoes, food for snacks at school or weekends at home, hygiene products, or school supplies. We will have it all. And it is **FREE!** With the help of some very generous donors we hope to be able to fulfill the needs of all of our students, no matter what they are.

If a student has a need there are two ways they can make a request. Pictured is a card that they can fill out and place in the box, both of which are located on the bulletin across from the main office. The other way is to use the link provided and fill out the Google Form. This information will be kept confidential and the student should choose, either on the card or on the Google Form how he/she would like to receive the items they request. If a student has a need that is not listed they should simply write it on the card or include it in the Google Form. Students may request items as often as they have a need. Once we get the request from the student it should be filled within a couple days depending on inventory. Please do not be afraid to ask if you have a need - because we **CARE!!**

Without our generous donors this would not be possible and we can not thank them enough for helping us to help our “kids”.
